Dando seqüência às cadeiras obrigatórias de teoria política, o curso Teoria Política III pretende cobrir os principais debates da teoria política contemporânea. A idéia norteadora do curso é oferecer um panorama abrangente da reflexão contemporânea sobre a política a partir de alguns dos principais temas mobilizados pelo debate acadêmico ao longo do século XX: justiça, democracia, reconhecimento, direito, poder, liberdade, igualdade e emancipação, além da redefinição do próprio conceito de política.
