Notícias, textos de opinião e entrevistas:

1) Europe : l'indispensable Union. Académie des sciences morales et politiques.

Autoria: Jean-David Levitte.

Face à la crise du coronavirus, l'Union Européenne a été absente, pire : divisée. Son image en a été gravement atteinte. Les États ont réagi en ordre dispersé et, sans concertation préalable, ont presque tous immédiatement fermé leurs frontières, portant un coup grave à un symbole de l'Union: Schengen.

2) A Problem for German Trade Ambitions: Brazil's Environment Minister. Americas Quaterly.

Autoria: Oliver Stuenkel

Debates in Berlin about Brazil reveal a broader dilemma as economic and geopolitical interests clash with surging public concern about the environment. Should Bolsonaro be treated as a temporary irritant to a longstanding partnership or as a more fundamental obstacle to deepening ties?

3) EU coronavirus deal is the wrong answer for Europe. Deutsch Welle.

Autoria: Andreas Noll

The European Union's agreement to take on common debt in its coronavirus recovery plan marks a historic moment for many politicians. But is it a historically correct decision? Unfortunately not.

4) Resistência a acordo com Mercosul cresce na União Europeia. G1/Deutsch Welle.

A Alemanha é a grande defensora europeia do livre-comércio com sul-americanos. Sua indústria economizaria bilhões ao ano. O país assume agora a presidência do bloco. Mas isso pode não bastar para selar de vez o pacto.
